Attachment A

On October 20, 2018, United States Customs and Border Protection Officers (CBPOs) were working the outbound travel lane at the Hidalgo International Bridge Port of Entry (POE) in Hidalgo, TX when CBPOs observed a green Ford Ranger truck enter the primary outbound travel lane.

A CBPO identified the driver of the green Ford Ranger truck as Eliots Christopher CARCOBA-Alvara. A CBPO took a negative declaration from CARCOBA-Alvara for being in possession of any firearms or ammunitions and referred CARCOBA-Alvara for a secondary inspection. During the secondary inspection, multiple packages were discovered in the passenger compartment of the green Ford Ranger truck containing but not limited to one thousand (1,000) rounds of Fiocchi .38 Super Ammunition and five hundred (500) rounds of Fiocchi .44 Special Ammunition as well as approximately one thousand eight hundred (1,800) rounds of other ammunition in assorted calibers, eight (8) rifle and pistol magazines, two (2) pistol barrels, and one (1) rifle barrel.

Homeland Security Investigations (HSI) Special Agents and the Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) SAs arrived at the Hidalgo International Bridge POE and conducted an interview of CARCOBA-Alvara.

CARCOBA-Alvara admitted he was attempting to smuggle the ammunition into Mexico. CARCOBA-Alvara also admitted to knowing that smuggling ammunition from the United States was contrary to United States Law. Ammunition, firearms magazines, and firearms barrels cannot be exported outside of the United States without a license in accordance with Title 22, United States Code Section 2778 and Title 22 of the Code of federal regulations.. CARCOBA-Alvara does not possess a license to export them.
